

~~SECRET~~

9 January 1950

The CRE Ad Hoc Committee for Coordination of the D/FE Production Plan, as a result of its meeting of 28 December 1949, makes recommendations to the Estimates Production Board as follows:

- a. That coordination of the D/FE plan should proceed in two phases:
  - (1) Bilaterally between D/FE and each of the following divisions: D/NE, D/SE, D/WE, D/No, D/Ec, D/Tr and D/In.
  - (2) Multilaterally by a committee composed of representatives of the foregoing divisions plus D/Pub and D/GI. The multilateral phase is intended to clarify any issues outstanding at the termination of the bilateral phase.
- b. That personnel to engage in coordination should be appointed by division chiefs from at least the intelligence control level of the divisions concerned.
